

THE AIR FORCE SCHOOL
CLASS I E.V.S. HW WORKSHEET
SUBMISSION DATE: 14 AUGUST 2014

Under each picture write V for Vegetarian food and N for non vegetarian food.

Did you know?

Bees store honey in their honeycomb for the long months of winter. Few flowers bloom in winter, therefore, little or no nectar is available then.

Draw three things that you would like to eat for breakfast on the plate given below.
