

LEARNING WITH FUN

Out on the swings
A splash in the pool
A dollop of ice cream
To make me drool
All of these are a lot of fun
Out of school I am on the run

Out of Classrooms
Away from School
A visit to my granny
Playing the fool

I'll be back to my books
After a while
But for the present
Let me just smile

HAPPY HOLIDAYING !

Dear Parents,

Summer is here and its time for our little ones to take a break from the school routine. We hope that you and your children will take time off for some creative relaxation. As we all know that children are full of energy, they need to be occupied with some interesting and useful activities. Hence, we have especially planned a few activities for Class I.

Our purpose here is not to burden the child. The holiday homework comprises of variety of activities which will hone the application skills of the children thereby enhancing their learning and also sensitize them to their environment.
