

TOPIC- READING COMPREHENSION

I

READ THE PASSAGE

A mouse, a crow, a tortoise and a deer were very close friends. The mouse had a brown body with a long tail and pink ears. The crow's feathers were as black as coal. The tortoise had a hard, brown shell and moved very slowly. The deer had beautiful spots on its golden skin. Everyday they met near the lake and had their food together. They also helped one another in times of need.

Q Now replace the underlined word with the correct word in each of these sentences and rewrite the correct statements.

1. The mouse had golden skin.

2. The crow had brown feathers.

3. The tortoise had a hard, pink shell.

4. The deer moved slowly.

5. The four friends lived near a river.
