## THE AIR FORCE SCHOOL CLASS IV MATHS HW WORKSHEET

SUBMISSION DATE:- 29 AUG 2014

Q1
Complete the factor tree. Remember that there is more than one to get the right answer. Stop when you are left with all prime numbers. Circle all the prime numbers.

Q2. Find the factors of these numbers and write down the common factors in the blanks:

a.

Factors of 9 $\qquad$
Factors of 15 $\qquad$
Common factors $\qquad$

b.

Factors of 25 $\qquad$
Factors of 40 $\qquad$
Common factors $\qquad$
