

EVS CREATIVE WORKSHEET

CLASS IV

Topic – Mapping our neighbourhood

Take a reference from your atlas and study the states of India and their capitals.

On the outline map of India, locate and label the following :

1. The States and Union Territories and their capitals.
2. Shade the largest and the smallest States of India in terms of size.
3. Complete the Index to the map.

ARE YOU A NATURE BUDDY?

Put a tick (✓) in the box next to the option you agree with the most. After answering all the questions, give yourself points according to the note given at the end of each section. Total the points of both the sections and find out whether you are a nature buddy or not!

SECTION 1

POINTS

- ☉ I leave the lights and fans switched on even if I am the last person to leave the room.

Always ☐Sometimes ☐Never ☐

- ☉ I write on public property like lamp posts, walls, seats in the park, etc.

Always ☐Sometimes ☐Never ☐

- ☉ I carry a polythene bag when I go out to buy something.

Always ☐Sometimes ☐Never ☐

- ☉ I take much more food in my plate than I can finish.

Always ☐Sometimes ☐Never ☐

- ☉ I keep my things strewn all over my room.

Always ☐Sometimes ☐Never ☐

- ☉ I keep the tap open when I brush my teeth.

Always ☐Sometimes ☐Never ☐

Give yourself the following points for every answer.

- ◇ 0 point for 'Always'
- ◇ 1 point for 'Sometimes'
- ◇ 2 points for 'Never'

TOTAL POINTS OBTAINED IN SECTION 1: _____

SECTION 2

POINTS

- ☞ I water the plants with a bucketful of water instead of a running water pipe.

Always

Sometimes

Never

- ☞ I write on both sides of the paper.

Always

Sometimes

Never

- ☞ I keep grains and a bowl of water for the birds.

Always

Sometimes

Never

- ☞ I use a cloth or jute bag instead of a polythene bag.

Always

Sometimes

Never

Total of Section 1 + Total of Section 2 = _____ + _____ = _____

Now mark your score on the scale given below. Colour the bar green upto your score.

Activity

Symbols

Special days are recognised by their symbols. You have learnt a symbol for recycled product. You can find out more about some special days celebrated worldwide through their symbols. Draw the symbols for the following.

World Environment Day
(June 5)

No Tobacco Day
(May 31)

World Literacy Day
(Sept. 8)

Red Cross Day
(May 8)

UN Day
(Oct. 24)
