

Moral Science
Class-5

Unit1 (lesson 1,2) FA-1

LESSON – 1, Think before you act

Q1. Why should we think about the action before doing it ?

A1. We should think about the action before doing it to avoid negative and unfortunate consequences.

Q2. Many children get drowned in the river every year. How can they avoid such an unfortunate event?

A2. Children can avoid such an unfortunate event by not going alone and informing the parents.

Q3. What was the turning point in the life of Ashoka?

A3. The sight of dead bodies scattered on the ground and the cries of injured soldiers became the turning point in the life of Ashoka.

Q4. If Ashoka had thought about the result of Kalinga war earlier, he would not have attacked Kalinga. Do you agree? If yes, describe.

A4. Yes, If Ashoka had thought about the result of Kalinga war earlier, he would not have attacked Kalinga. Thousands of people would not have lost their lives.

Lesson -2

Feel the joy in giving

Q1. Who is called generous ?

A1. A person who feels joy in giving is called generous.

Q2. Why should the rich help the poor?

A2. The rich should understand that they are rich because of God being generous to them so they should also be generous and help the poor.

Q3. Have you ever helped anyone ? how?

A3. Yes, I have helped others by giving money, clothes, stationery items and also emotional and physical support.

Q4. Suppose one of your classmates is not going for a class picnic just because he/she has no money. How will you help him or her?

A4. We will help our classmate by collecting money for him.

Q5. Why did Jim sell his watch?

A5. Jim sold his watch to buy tortoise shell combs for Della.
