THE ASSAM VALLEY SCHOOL

WORKSHEET NO – 5

NAME :   **GRADE:**

CLASS : VI   **SUB**: PHYSICS

CHAPTER: Measurement   **DATE**:

Q1. Define area. State its S.I unit. Write down the formula to find out area of regular surfaces.

Q2. Draw the followings: (i) square   (ii) Circle   (iii) Triangle   (iv) rectangle

Q3. Measure the area of an irregular surface (a leaf) with a graph paper.

Q4. Define volume. States its S.I unit. Write down the formula to find out area of regular solids.

Q2. Draw the followings: (i) Cube (ii) Cuboid (iii) Sphere (iv) Cylinder (v) Measuring jar
