SECTION - 'A' READING (TOTAL: 20 MARKS)

Al. Read the following poem carefully and answer the questions that follow.

"My Mother Saw a Dancing Bear"

By the schoolyard, a day in June
The keeper stood with chain and bar
And whistle – pipe, and played a tune.
The bruin lifted up its head
And lifted up its dusty feet,
And all the children laughed to see
It caper in the summer heat.

They watched as for the Queen it died.
They watched it march. They watched it halt.
They heard the keeper as he cried.
"Now, roly - poly!"
"Somersault!"

And then my mother said there came The keeper with a begging – cup, The bear with burning coat of fur, Shaming the laughter to a stop.

They paid a penny for the dance, But what they saw was not the show; Only in bruin's aching eyes, Far- distant forests, and the snow.
