Wise and Otherwise: A Salute to Life –SudhaMurthy

Answer the following questions after reading the book. Draw the graphic organizers in question 1 and 2 on A4 size coloured sheets and fill up the answers. Submit your sheets in a beautifully handmade folder. Use your own creativity to decorate the sheets.

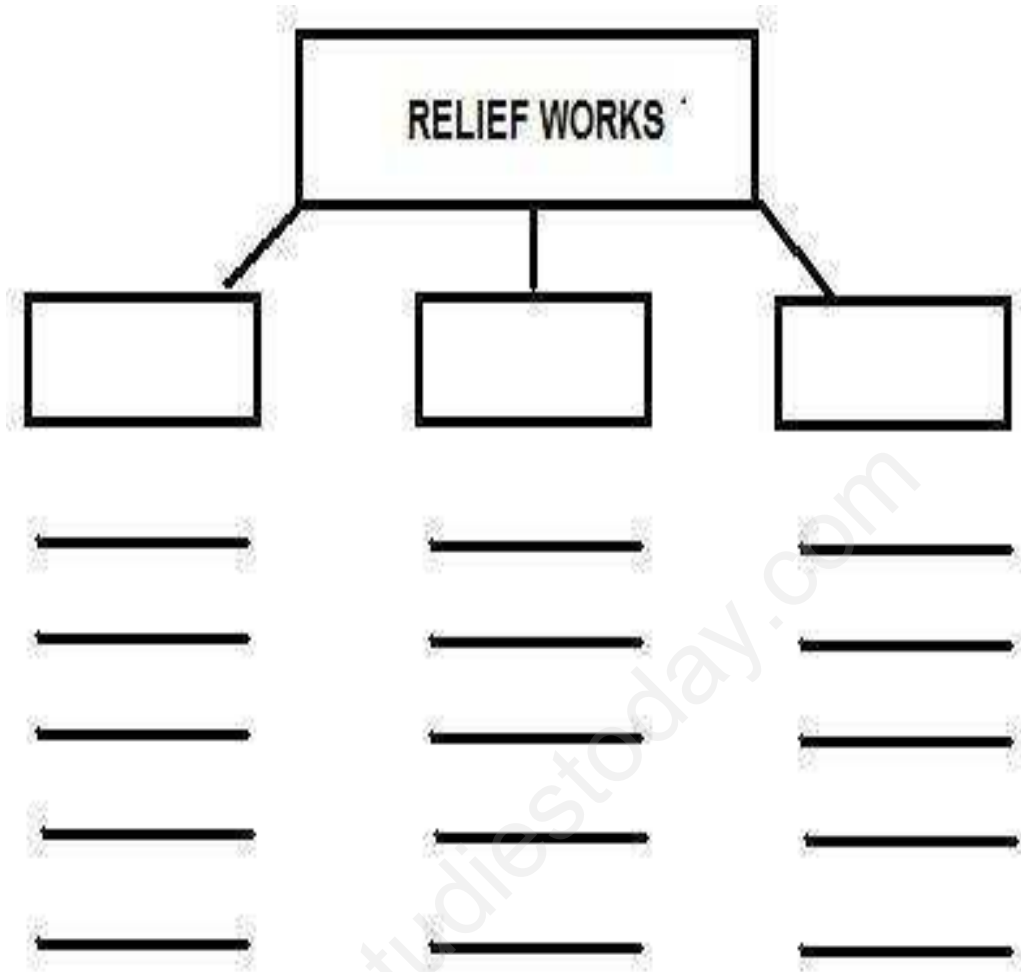

Q1 State the unhygienic living conditions that the author observed when she went to the colony inhabited by people suffering from leprosy. Also think of the health problems that these living conditions can lead to.

Unhygienic living condition

Health problem
