## Geography

### Chapter – 1 Our Resources

A.) Tick the correct answer

- Anything that can be used to satisfy a need is called-
- a) Material
- c) Resource

- b) Things
- d) Compound
- Deposits of coal in Durg region of Bihar is an example of:
  - a) Potential resource
  - c) Actual resource
  - b) Ubiquitous resource
  - d) Renewable resource
- Petrol found in North Eastern States is an example of:
  - a) Potential resource
  - c) Actual resource
  - b) Ubiquitous resource
  - d) Renewable resource
- Air we breathe is an example of :
  - a) Localized resource
  - c) Ubiquitous resource
  - b) Actual resource
  - d) Potential resource

**B.) Short Answer Questions:**

- 1) What is the difference between natural and human made resources?
- 2) Explain sustainable development?
- 3) What is conservation of resources?

**C.) Long Answer Questions:**

- 1.) Define the resources on the basis of their origin.
- 2.) Write some ways to conserve the resources.

**Chapter – 2 Land and Soil Resources**

**1. Fill in the blanks-**

- a) \_\_\_\_\_ is among the most important natural resource.
- b) Land is used for different purposes such as \_\_\_\_\_, \_\_\_\_\_ and \_\_\_\_\_.
- c) People and their demands are ever growing but the \_\_\_\_\_ of land is limited.

**2. Write short answers-**

- a) Name the three uses of land.
- b) Which are the factors responsible for the uneven distribution of population in different parts of the world?
- c) What is Soil Erosion?
- d) How is soil formed?
- e) What is contour ploughing?
- f) What do you understand by land use pattern?

**3. Write answers in detail-**

- a) What are the various methods to conserve the land?
- b) What are the factors responsible for soil formation?

c) Explain the two types of Soil Erosion.

4. Draw the Graphical Representation of Factors affecting Soil Erosion.

**CLASS VIII**

**Computer Worksheet**

Q1. Visit a cybercafé and examine the network there. Prepare a chart of it.

Q2. Collect information about the devices used in Internet for networking.

Q3. Prepare a chart on different topologies of network.
